§ 1703.124 Maximum and minimum grant amounts.

Applications for grants under this subpart will be subject to limitations on the proposed amount of grant funds. The Administrator will establish the maximum amount of a grant to be made available to an individual recipient for each fiscal year under this subpart by publishing notice of the maximum amount in the FEDERAL REGISTER not sooner than 45 days before the period for accepting applications begins. The minimum amount of a grant is \$50,000.

§ 1703.125 Completed application.

The following items are required to be submitted to RUS in support of an application for grant funds:

(a) *An application for Federal Assistance.* A completed Standard Form 424.

(b) *An executive summary of the project.* The applicant must provide RUS with a general project overview that addresses the following 8 categories:

(1) A description of why the project is needed;

(2) An explanation of how the applicant will address the need cited in paragraph (b)(1) of this section, why the applicant requires financial assistance, the types of educational or medical services to be offered by the project, and the benefits to rural residents;

(3) A description of the applicant, documenting eligibility in accordance with § 1703.103;

(4) An explanation of the total project cost including a breakdown of the grant required and the source of matching contribution and other financial assistance for the remainder of the project;

(5) A statement specifying whether the project is either a distance learning or telemedicine facility as defined in § 1703.102. If the project provides both distance learning and telemedicine services, the applicant must identify the predominant use of the system;

(6) A general overview of the telecommunications system to be developed, including the types of equipment, technologies, and facilities used;

(7) A description of the participating hubs and end user sites and the number of rural residents that will be served by the project at each end user site; and

(8) A certification by the applicant that facilities constructed with grants do not duplicate adequate established telemedicine or distance learning services.

(9) A listing of the location of each end user site (city, town, village, borough, or rural areas) plus the State.

(c) *Scoring criteria documentation.* Each grant applicant must address and provide documentation on how it meets each of the scoring criteria contained in § 1703.126.

(d) *A scope of work.* The scope of work must include, at a minimum:

(1) The specific activities to be performed under the project;

(2) Who will carry out the activities;

(3) The time-frames for accomplishing the project objectives and activities; and

(4) A budget for all capital expenditures reflecting the line item costs for approved purposes for both the grant funds and other sources of funds for the project. Separately, the budget must specify any line item costs that are
